Dear Sirs / Madams,

Weatherly International PLC (Company Number 03954224) in Administration (the "Company")

I write to advise that Simon Kirkhope and Andrew Johnson of FTI Consulting LLP were appointed Administrators of the Company on 1 June 2018. The Administrators are licensed Insolvency Practitioners, licensed in the UK by the Institute of Chartered Accountants in England and Wales. I enclose formal notice of our appointment.

Current position

The Administration of the Company follows on from uncertain position of the Tschudi mine as a result of significant water ingress. As a result of this and the material uncertainty regarding the Company's operational and financial position, the Directors have placed the Company into Administration.

Ongoing Services / Orders

With effect from the date of my appointment, the Company will only be responsible for payment for goods or services delivered to the Company against purchase orders raised after 1 June 2018, which have been approved by the Joint Administrators. This includes any currently outstanding purchase orders, with the exception of those where a separate letter of undertaking has been sent out by one of my staff.

If you have supplied the Company with equipment, vehicles etc that are subject to a finance agreement, or have hired equipment, vehicles etc to the Company then you should forward to me proof of ownership and a detailed description of the items concerned. If applicable, please also provide me with details of the amounts required to settle the finance agreement and for the Company to acquire the asset from you.

If you have owned equipment or property on site you should contact William Marsden. Ownership will need to be established prior to any release of assets, and arrangements made for site access.

Creditor Claims

I enclose a Statement of Claim form so that you may provide details of the amount owing to you as at the date of appointment. Please provide copies of invoices or other relevant supporting documentation with your claim form.

Please note that debts incurred by the Company will rank as unsecured claims against the Company. Certain debts due from the Company may be preferential in accordance with section 386 of the Insolvency Act 1986 (as amended). If you consider that you have a claim in this category, please advise us immediately.

Please email all creditor claim forms to WTIshareholders@fticonsulting.com and include in the subject line 'CREDITOR CLAIM FORM'.

Proposals

We are currently formulating our proposals which will be sent to creditors in due course along with, if appropriate, details of a creditors' meeting. This report will be made available to all creditors within eight weeks of the Administration and will give an indication of likely dividend prospects.

Retention of Title

If you believe that you have a Retention of Title claim in relation to goods supplied to the Company please send all supporting documents to WTIshareholders@fticonsulting.com and include in the subject line 'RETENTION OF TITLE CLAIM'.

VAT Bad Debt Relief

Creditors registered for VAT may be able to claim VAT bad debt relief in accordance with Section 36 of the Value Added Tax Act 1994. Relief is available when the debt is six months old and "written off" by the creditor entering it on his VAT refunds-for-bad-debts-account. Insolvency Practitioners have no role in administering VAT bad debt relief. Creditors who are uncertain as to how they may claim should contact their VAT office or take professional advice.
