

19 FTI Consulting Experts named in WWL *Forensic and Litigation Consulting - Accountants* list

Our Forensic & Litigation Consulting segment helps law firms, companies and government entities with dispute advisory, investigations, forensic accounting, business intelligence assessments, data analytics and risk mitigation services.

We are delighted that Who's Who Legal has identified 19 of our global experts to be featured in this year's list. Furthermore, Andrew Durant, a Senior Managing Director based in the London office has been singled out as one of the 'Most Highly Regarded Experts' globally.

Andrew Durant
FTI Consulting, London

Andrew Durant specialises in investigating financial statement fraud, stock and other asset losses, corruption and bribery, and investment fraud among others. He is praised for his "diligent manner" and considered a "consummate expert".

In London, **Wayne Anthony** possesses an "impressive depth of expertise" and has a "hands-on approach" which is greatly valued by clients.

Singapore-based **Jarrod Baker** is a "go-to" among corporates and their legal counsel and assists with investigations into complex fraud, serious misconduct and financial crime.

EMEA head of economic and financial consulting **Mark Bezant** (London) is a "high-profile figure" in the industry who has extensive experience assisting clients in a dispute resolution context.

Stephen Burlone in Boston is the co-leader of the forensic accounting and advisory services national practice and works closely with law firms and multinational companies on accounting

issues. He is "extremely well thought of" and enjoys an "international reputation".

Matthias Cazier-Darmois, who relocated to Paris from London in 2014, is a "regular" in the forensic and litigation consulting market. He works in a "diligent manner" and has an "impressive record".

The "esteemed" **Julian Glass** (London) excels in the field of forensic accounting and financial investigations.

“ FTI Consulting sees 19 of its individuals included in this section representing its offices in Australia, England, France, Hong Kong, Singapore, Spain, the US and United Arab Emirates. ”

Who's Who Legal

Steve Harris is based in the firm's Dubai office where he has an "active practice" providing accounting advice in litigation and arbitration, as well as investigations. He offers a "high-quality service" and enjoys an "enviable client list".

Singapore based **Richard Hayler** has particular expertise in the financial services, manufacturing, chemicals and life sciences sectors; he is noted for his "intricate work" and "unflappable manner".

Mark Hunt (London) also specialises in advising the financial services industry; his work comprises investigations, expert determinations and expert litigation support, and clients describe him as being "unparalleled" in the market.

Seattle based **Lindi Jarvis** is recommended for her experience in

investigations involving SEC financial reporting and violations of the FCPA. She is both "accessible and easy to work with".

Gary Kleinrichert, based in Indianapolis, has testified on more than 50 occasions at deposition, arbitration and trial; clients value his "great insight" and "unflappable manner".

Jeff Litvak in Chicago is "world-class" and noted for his abilities in analysing damages in business litigation.

Andrew Mainz (London) has considerable expert witness testimony experience and conducts assignments into false accounting and fraud, asset tracing and identifying damages or lost profits. He is "incredibly versatile" and "really knows his stuff".

Global leader of the consulting global risk and investigations practice, Chicago based **Michael Pace** is "unparalleled" in

his experience in corporate investigations having worked on numerous cases involving allegations of fraud or corruption.

In Madrid, **Jose Pineiro** is chosen by clients for his "sharp intellect" and "finely tuned skills".

Jon Rowell, based in the Hong Kong office, has vast experience in the field and is "highly sought after" for his "well-prepared advice".

Ian Thompson (London) has worked full-time on forensic engagements for thirteen years and is a "well-known name" in the offshore market.

Melbourne-based **Dawna Wright** is "exceptionally bright" and has extensive experience in auditing and forensic accounting; clients praise her "dedication".
